[Flexisign Pro 10 Keygen](#)

The screenshot shows a Windows-style 'Add Setup' dialog box. It has two main sections: 'Choose a device' and 'Communication'. In the 'Choose a device' section, there are two questions: 'What is the brand name of your vinyl cutter?' with a dropdown menu showing 'Roland', and 'What is the model name of your Roland?'. The 'Communication' section is a separate dialog box with two fields: 'TCP/IP address:' with the value '192.168.1.1' and 'Port number:' with a dropdown menu showing '9100'. There are 'OK' and 'Cancel' buttons at the bottom of the 'Communication' dialog. A callout box with a white background and black border points to the 'TCP/IP address' field, containing the text: 'If it's using a TCP/IP connection type it here'. In the bottom left corner, there is a green 'FX' logo. In the bottom right corner, there is a blue banner with the text 'AllGraphicSupplies.com' and 'Your Partner in the Evolution of Digital Imaging'. The taskbar at the bottom shows a taskbar with a taskbar icon and a taskbar area showing 'E: Free: 71.9 MB' and 'E: Total: 100.0 MB'.
